

## Bishop's Altar Server Award 2024 Recipients

Each year, local churches are invited to nominate altar servers who display a sense of responsibility, leadership, and dedication to their duties. The selected servers are honored during a celebration, which includes a Mass with their regional auxiliary bishop, a presentation of medals, and a reception with families, friends, and pastors.

I would like to personally extend my congratulations, on behalf of the Altar Server Ministry, to *Carmen Fong, Chloe Chan, Nicole Li, Charlotte Wong, Samantha Chang, Allison Chow, and Karis Tang* for receiving this year's Bishop's Altar Server Award.

This award recognizes how each of them, individually, has shown dedication to altar service and to ensuring we uphold our primary mission of honoring the Eucharist at all six parish Masses.

Throughout their altar server journey, each of them has demonstrated and nurtured the four seeds/goals our ministry strives to achieve:

1. Help parishioners develop a greater love for God and the Church.
2. Develop a deep understanding of the Catholic liturgy.
3. Assist the priest in a reverent and sacred manner.
4. Grow in the love of service to God and others, and develop leadership skills.

As a ministry, we are committed to recognizing altar servers who not only embody our core goals and mission but also demonstrate exemplary leadership. Once again, congratulations to this year's award recipients, and thank you for your continued altar service here at St. Agnes Kouying Tsao Catholic Church.

Yours In Christ,

Richard Kwong
