Parish-based Volunteer Ministry Positions:

Under guiding legislation in Ontario concerning Best Practices for public safety and risk management, any person in a position of trust requires high-risk screening prior to volunteer participation.

Positions of Trust include:

- Those involving contact with vulnerable persons: children, youth, elderly persons or persons with disabilities
- Those where added responsibilities involve access to keys/security codes to the parish facilities, access to funds (handling money) or access to confidential information.

Prior to participation in ministry positions listed below, applicants are required to:

- Attend an in-person interview
- Provide 3 references in good standing
- Provide a CURRENT and CLEAR Police Information Check

Notes:

Police Information Checks from other organizations cannot be accepted, however if you have completed a check through the Archdiocese of Toronto within the last 3 months, please advise your Parish Volunteer Screening Committee and they will confirm with the Volunteer Screening Department.

An Annual Offence Declaration is required each year after the initial police information check and a new police information check is required every five years. Police Information Checks are provided at no cost through our provider.
